one purpose. We need to stand at ease until LB 75 is reported back down yet this afternoon. I don't know how long that will take. It shouldn't take a tremendous amount of time. Tomorrow we have some confirmation reports, we have a resolution that we need to deal with, and then we'll take up motions to override and we'll take them up in the order that they were filed. And so if we...I don't know how long those overrides will take. If it looks like we can work through the noonhour and get done early afternoon by working through the noonhour I would anticipate we do that. If it's going to take longer I would expect a break at noon. So I'd be a little flexible tomorrow at noonhour. And if we can have people stand at ease till the bill gets reported back I would really appreciate it. And I saw Senator Coordsen run out. Senator Bruning, I assume that's because of your comment, so...oh, he's back. (Laughter) Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Speaker. Mr. Clerk, if you wish to, before we're standing at ease, you can read some items, if you care to.

CLERK: Mr. President, the bills read on Final Reading have been presented to the Governor (re LB 97, LB 97A, LB 329, LB 329A, LB 461, LB 461A, LB 809.) Urban Affairs Committee reports LB 384 to General File with committee amendments attached. I have a Reference report referring certain study resolutions. New resolutions: LR 268-270; all will be laid over. And, Mr. President, Senator Dwite Pedersen would like to add his name to LB 85 as cointroducer. (Legislative Journal pages 2297-2300.)

SENATOR CUDABACK: Thank you, Mr. Clerk. We'll stand at ease.
